ABOUT US

SRA Furnisher Solution Pvt. Ltd. was established in 2013 with a clear focus — to deliver reliable, high-quality solid surface solutions with complete control over design and Execution

From a small retail setup in Delhi NCR, we have grown into a full scale manufacturing and execution company, working with architects, builders, and homeowners across India.

With our in-house CNC fabrication unit, we handle everything from design to installation, ensuring consistent quality, precision finishing, and timely delivery.

Mission

To deliver durable, well designed, and practical solid surface solutions with complete transparency.

Vision

To become a trusted name across India for customized and Reliable solid surface work.
